

How to set up Amazon Smile to support Berkshire Search and Rescue Dogs

On your Browser

1. Go to smile.amazon.co.uk and log in with your existing Amazon account, or create a new one using your preferred email address
2. Once logged in, scroll down to the “Pick your Charitable Organization” box, and type “Berkshire Search and Rescue Dogs”

Choose a charity

Marie Curie
Marie Curie helps people and their families living with a terminal illness make the most of the time they have together by delivering expert care, emotional support, research and guidance.

4. You may need to check the box acknowledging that you must visit smile.amazon.com each time you shop in order to support BSARD and click “Start Shopping”.
5. Update your browser shortcuts! Make sure you always shop from smile.amazon.co.uk in order for us to receive your support.

On your Mobile Apps

For Android apps:

1 Make sure you have the latest version of the Amazon Shopping App

1. Open the Google Play Store
2. Tap the menu (≡)
3. Tap on My apps & games
4. Tap the Updates tab
5. Update the Amazon Shopping App

2 Open the Amazon Shopping App

3 Tap in the main menu in the Amazon App

4 Tap Settings

5

Tap AmazonSmile

6

Follow the instructions on the screen to turn on AmazonSmile

For iPhone apps:

Unfortunately this isn't an option for iPhone apps, so please set up a shortcut to the Amazon Smile website which gives a near identical experience to the app:

1. If you have the Amazon App installed, please remove it. To do this, tap and hold the app icon until it starts to jiggle. Tap the cross at the top left of the icon and confirm that you want to delete it. Don't worry, this will not delete your Amazon account or any of your settings.
2. Now load Safari (the iPhone internet browser) and go to smile.amazon.co.uk.
3. Tap the 'share' button on the bottom of the screen.

4. Tap the 'Add to Home Screen' icon. You may need to swipe to the left to see this.

5. You will now have an Amazon Smile icon on your home screen which you can use in exactly the same way you used the Amazon App.
